BUSCH IS BACK OF IT

St. Louis, Mo., Dec. 9.—A new trunk line railroad from St. Louis to Texas, Arkansas and Oklahoma points is a project announced today by G. F. Moore, president of the recently organized Manufacturers Railway of St. Louis.

Moore stated that efforts to obtain the co-operation of the Missouri, Oklahoma and Gulf, Midland Valley, and Fort Smith and western roads are under way. These roads have been feeders for the Missouri, Kansas and Texas, Frisco system and other southwestern trunk lines.

The construction of new terminals in St. Louis, a belt line about east St. Louis, Ill., and the operation of car ferries across the river were also indicated in the plans announced by Mr. Moore.

Adolphus Busch has thus far been the principal backer of the manufacturers' railway.

It is a can of California Brand of Peas packed by the Coast Produce Co., equal to if not better than any other brand of fruits that is on our market from 35 to 40 cents. Every thing packed by this company sells for 25c a can. Walsh carries the complete line.

VALUABLE HORSE BURNED

This morning about 12:30 a car in the east yards in which a valuable horse was being shipped burned and the horse was lost.

The animal was a stallion valued at \$3000 which was being shipped from the Holland Stock Farm near Springfield to Enid, Okla. Manfred Smith was in charge and slept in the car. When he awoke the car was in flames and it was impossible to rescue the horse.

Mr. Smith believes that the fire must have started from the explosion of his lantern.

MR. WHITNEY ACQUITTED

Mr. T. F. T. Whitney, who was tried at Mt. Vernon, last Monday, has been acquitted of the charge of unlawful sale of intoxicating liquor as the agreed case, submitted the court, showed that he had only made deliveries to the members of the Eagle lodge, at this place, while acting as Steward, before the dissolution of the order, such being to the members who owned the liquor, hence, not within the inhibition of the local option law, as the order at that time, was not a mere evasion of the law.

As the lodge has now been dissolved and the sale of liquor stopped, this decision meets with the approval of the citizens of Aurora who favor temperance, but do not want to persecute any one. Aurora Argus.
